Attention To:

Dubai , United Arab Emirates November 19, 2022 — Copart UAE Auctions LLC today reported the cooperation with eData Information Services.

Copart UAE Auctions LLC, a leading real-time online vehicle auction company, today announced the cooperation with eData Information, located in Dubai, UAE.

eData is the Middle East’s leading vehicle data specialist, offering vehicle specifications and valuations for various industries.

“This cooperation will serve as the basic data provider for our operations in the GCC (Gulf Cooperation Council) which includes the countries of the United Arab Emirates, Bahrain and Oman.” says Colin Cordery, Managing Director at Copart Middle East.

The last few years have brought significant growth for Copart Middle East and this partnership will support a continued upward volume trajectory. Choosing eData came after rigorous testing of more than 2,000 Vehicle Identification Numbers and we believe eData gives the most accurate vehicle data in the Region.

'Welcoming Copart Middle East, a subsidiary of its USA listed parent company, as a new relationship, indicates a lot', says Pascal Persoon, CEO and founder of eData Information Systems.

eData is market leader, and we do realize dealing with a global leader, requires the highest standards, data accuracy and support, Pascal continues.

Our team is currently managing over 5,000,000 VIN requests and we welcome Copart on board as part of our family!

About Copart

Copart, Inc., founded in 1982, is a global leader in online vehicle auctions. Copart's innovative technology and online auction platform links sellers to more than 750,000 Members in over 170 countries.
